NAP of the Capital Region

Advantages for Business

- Culpeper's utility infrastructure is ready to handle industry growth. Plentiful and affordable electricity and natural gas as well as extensive fiber optic networks help power high tech firms.
- Culpeper offers convenient access to the nation's leading markets. Culpeper is located just an hour south of Washington, DC and 40 minutes from Charlottesville, VA. Culpeper also offers convenient access to a number of interstate highways including I-95, 30 miles east; I-66, 42 miles north; I-64, 49 miles south; and I-81, 50 miles west.
- Culpeper's diverse and growing workforce, backed by excellent training, educational and development programs, results in a labor force with the skills needed for traditional craftsmanship and advanced manufacturing.
- As one of Virginia's five strategically-placed Foreign Trade Zones, Culpeper's FTZ allows companies involved in international commerce to improve the cost competitiveness of their U.S.-based operations.
