

Louisa County

Louisa County is the commercial, industrial and quality of life connection point between Greater Richmond and Charlottesville. The county is perfectly positioned along the I-64 corridor, which is experiencing rapid commercial growth. With its pro-business climate, strategic transportation infrastructure, skilled workforce, and room for growth and expansion, Louisa County is an excellent place to locate or expand a business.

Central

Virginia

Innovative Employers

Louisa County has one of the lowest tax structures for manufacturers in the state, making Louisa an optimal location for businesses. The County is home to several nationally-recognized companies, including:

- **Bio-Cat, Inc.**
enzymes and custom blending
- **Boss Instruments, Ltd.**
surgical instruments
- **Busada Manufacturing Corp.**
rigid thermoplastic tubing
- **Klöckner-Pentaplast of America, Inc.**
rigid PVC products
- **MeadWestvaco Corporation**
paper cup manufacturing
- **Piedmont Metal Fabricators, Inc.**
tobacco processing equipment
- **Tetra-Pak Tubex**
drinking straws
- **Trae-Fules, Ltd.**
wood pellet manufacturing
- **Tri-Dim Filter Corp.**
commercial and industrial grade air filters
- **Walmart Distribution Center #7106**
grocery products

Advantages for Business

- Increasingly, the business community is finding Louisa to be an attractive central location for commercial investment.
- Interstate 64 forms the backbone of Louisa County, providing 20 miles of interstate with four interchanges along the way. The County is located halfway between Interstates 95 and 81, both major north/south transportation corridors.
- 50% percent of the nation's consumers are within one day delivery by truck making Louisa the perfect location for manufacturing and distribution operations.
- Louisa County is only a 30 minute drive from the Charlottesville/Albemarle Regional Airport and a 1 hour drive from the Richmond International Airport.
- Several major universities and two-year institutions are within an hour's drive, including the top-ranked University of Virginia, Piedmont Virginia Community College, and Germanna Community College.

Klöckner-Pentaplast is a leading producer of plastic films for packaging, printing, and specialty applications.
